JSON, TFS, WordPress, WooCommerce REST API

Professional Experience

Full Stack Developer

Nushift Technologies | Hyderabad | March 2024 – Present

- Developed and maintained end-to-end modules for **Nushift Connect**, an Angular-based healthcare platform integrating podcasts, feeds, and interactive charts.
- Built reusable and scalable Angular components and ensured cross-browser compatibility and mobile responsiveness.
- Integrated secure authentication, user role-based access, and efficient state management across modules.
- Collaborated with QA and UI teams in agile sprints, ensuring 95%+ defect-free releases.

Full Stack Software Developer

SNAD Developers Pvt. Ltd. | Hyderabad | Apr 2022 – Feb 2024

- Designed and developed modular and maintainable web applications using Angular, .NET Core, and SQL Server.
 - Created responsive UIs with Bootstrap, HTML, and CSS for improved user experience across devices.
 - Developed RESTful APIs using .NET Core and ensured secure data handling and seamless integration.
 - Handled version control and team collaboration through Git/GitHub.
 - Managed databases and improved application performance by optimizing queries and schema design.
 - Provided continuous QA support and resolved bugs to deliver stable, production-ready applications.
-

Projects

- **Nushift Connect:** Podcast, feed, and chart modules using Angular.
 - **Real Estate App (MERN + Next.js):**
 - Developed a full-stack property listing platform using **React, Next.js, Node.js, Express.js, and MongoDB**.
 - Implemented features such as property search, filtering, user authentication, admin dashboard, and image uploads.
 - Integrated Google Maps API for property locations and Stripe for online payments.
 - Ensured responsive UI and server-side rendering for SEO optimization.
 - **HRMS Portal:** Employee management, leave, and attendance tracking with Angular and .NET Core.
 - **Fusion Plus:** Automated recruitment portal with PDF generation and email integration.
 - **Swiss Castle:** Online bakery storefront with login, customization, and payment gateway.
-
